Will give a public lecture on his thesis entitled:

Timescales in chemical open quantum systems

The thesis was submitted May 2023

Evaluation Committee:

Professor Gemma Solomon, Committee Chair, University of Copenhagen, Denmark

Associate Professor of Practice Matthew G. Reuter, Stony Brook University, USA

Associate Professor Ignacio Franco, University of Rochester, USA

Supervisor:

Associate Professor Thorsten Hansen, Department of Chemistry,
University of Copenhagen, Denmark

Jan H. Jensen
PhD Coordinator

Thesis (electronically) can be sent if you write to lone@chem.ku.dk
