

PhD DEFENSE

22 May 2023

The H.C. Ørsted Institute, Auditorium 8 at 13:00

Rasmus K. Jakobsen

will give a public lecture on his thesis entitled:

**Proton and Electron Transfer in pH-
active Triangulenium Fluorophores.**
Fluorescent probes for pH, proton
transfer, and water

followed by an oral defense. The defense is open to the public.

The thesis was submitted in April 2023

Evaluation Committee:

Professor Thomas Just Sørensen, Committee Chairman, University of
Copenhagen, Denmark

Professor Fredrik Westerlund, Chalmers University of Technology, Sweden

Associate Professor Janus Juul Eriksen, DTU, Denmark

Supervisor:

Professor Bo W. Laursen, Department of Chemistry, University of
Copenhagen, Denmark

Dimitrios Stamou
PhD Coordinator
